# LIFE OF KEETS

---

This rotating cocktail is inspired by our close friend, Fort Worth native Kara Keeton. This year, she's living and working in a different country each month, and we'll be keeping up with her every step of the way. As her location changes, this cocktail will change to reflect her favorite libation in her current home.

For the past month, Kara was traveling in areas of the world where drinking is forbidden by law and the few hidden spots where weary travelers could quench their thirst were not safe for women traveling alone. During this period, the Life of Keets remained unchanged...

We are proud to live in a country where all of our friends are free to eat, drink and celebrate life's victories. With that in mind, all proceeds from the Life of Keets this month will be donated to Genesis Women's Shelter, an organization committed to aiding women and children in need, allowing them to enjoy the freedoms we so often take for granted.

Now that's what we call #livingHG.

Join us as we follow her adventures:
